Re: Thank You for Supporting Modern Day Shtetl's Public Mental Health & Wellness Work

Hello and thank you Mr. Gabriel Regus,

I hope this message finds you well. On behalf of the entire Modern Day Shtetl team, I want to express our deepest gratitude for your generous \$5,000 donation in support of our nonprofit mission.

Your contribution is more than a gift—it's a powerful statement of trust in the work we're doing to provide accessible, secular health and wellness programs that are open to all. Thanks to your support, we're able to offer free and low-cost initiatives that help individuals and families improve their well-being, connect with community, and live healthier, more fulfilling lives.

Your generosity ensures that our programming—from mental health resources to community wellness events—continues to serve the public with compassion, professionalism, and impact. It also gives us the flexibility to grow and adapt to meet emerging needs, especially in a time when inclusive, nonsectarian health services are more essential than ever.

We're honored to have you as a partner in this mission. Your support reflects a shared commitment to building a healthier, more connected world—one rooted in empathy, inclusion, and collective care.

Thank you again for standing with us. We look forward to keeping you updated on the meaningful progress your donation makes possible. If you'd ever like to get more involved or explore ways to collaborate, please don't hesitate to reach out.

With heartfelt thanks and best wishes for your continued health and happiness,

Warmly,

Vanessa Chalem

Director
